## BRAHLER'S RINGTREAD IT'S TIME TO "GO GREEN"

- **NEW TIRE ALTERNATIVE**

In this economic environment, Brahler's RINGTREAD is the best alternative to buying expensive new tires. RINGTREAD compounds are similar or superior to those used to produce high-quality new tires. RINGTREAD can cover all highway applications. Why buy new tires? Save your money for fuel.

"Go Green...Buy the Ring."

- **SAVE 40%...  
WHEN YOU BUY THE RING vs. NEW TIRES**

Given the new tire price increases in the last 18 months, Brahler's RINGTREADS can save you about 40%. This comparison includes a virgin A grade casing with our Ringtread – If you supply your own casing then the savings is even greater.

Brahler's Ringtread is splice-free and contoured to fit the buffed surface of a high-quality truck tire casing. Brahler's operates one of the top fifty retreading plants in America, and our Ringtreads include a limited warranty similar to new tires.

BeSmart. Ask your Brahler's sales representative for a quotation.

- **FUEL SAVINGS**

RINGTREADS produce 1% to 3% better fuel economy than conventional flat tread products. Double contour construction, and no splice on our RINGTREAD produces lower rolling resistance and provides real fuel savings, mile after mile.

- **GUARANTEED TO REDUCE OWNERSHIP RUNOUT COST BY 25% vs. NEW TIRES**

Brahler's Truckers Supply, Inc. guarantees a minimum of 25% savings on run out costs vs. your new tire alternative. RINGTREAD users in small and large fleets report the lowest cost per mile of any retread product in the marketplace.

- **FULLY WARRANTED**

Brahler's Truckers Supply, Inc. warrants all RINGTREADs to be free from defects in workmanship and materials and to give superior service under normal operating conditions.

**WITH BRAHLER'S RINGTREADS  
YOU CAN...**

**BeSmart, Be Green & Save \$Big!**

The RINGTREAD® System delivers perfect fitment and even wear. The result is a uniform, better-balanced retreaded tire, that yields longer lasting, even tread wear. Ringtreads save fuel and run cooler than other retreads.
